

Quite a few dearly missed characters appear in this volume. I had to keep checking past volumes while drawing them because !'d forgotten some of their specs, which ended up taking way too long. Argh!!

-Masashi Kishimoto, 2011

Author/artist Masashi Kishimoto was born in 1974 in rural Okayama Prefecture, Japan. After spending time in art college, he won the Hop Step Award for new manga artists with his manga Karakuri (Mechanism). Kishimoto decided to base his next story on traditional Japanese culture. His first version of Naruto, drawn in 1997, was a one-shot story about fox spirits; his final version, which debuted in Weekly Shonen Jump in 1999, quickly became the most popular ninja manga in Japan.

THE STORY SO FAR...

Naruto, the biggest troublemaker at the Ninja Academy in the Village of Konohagakure, finally becomes a ninja along with his classmates Sasuke and Sakura. They grow and mature through countless trials and battles. However, Sasuke, unable to give up his quest for vengeance, leaves Konohagakure to seek Orochimaru and his power...

Two years pass. Naruto grows up and engages in fierce battles against the Tailed Beast-targeting Akatsuki. Elsewhere, after winning the heroic battle against Itachi and learning his older brother's true intentions, Sasuke allies with the Akatsuki and sets out to destroy Konoha.

Upon Madara's declaration of war, an Allied Shinobi Force is formed. As tensions rise in both camps, the Akatsuki pinpoint Naruto's location. Madara directs Kabuto to capture Nine Tails. Yamato heads out to intercept Kabuto and protect Naruto, but is captured instead!
